

EU-MIND

EUropean Meeting on Imaging of Neurodegenerative Diseases

1ST EDITION > CAEN, FRANCE 2024

EU-MIND 2024 - PRELIMINARY PROGRAM

WEDNESDAY, SEPTEMBER 25

08:00	Preconference : Educational Workshop
12:00	
12:45	Welcome of participants
13:15	Opening remarks
13:30	Plenary - Gemma Salvado (Lund University) Recent Advancements in European Research
14:15	New imaging techniques and innovative approaches
15:15	<i>Datablitz</i>
15:30	Coffee break Poster Session
16:30	AD clinical subtypes and non-AD dementia
17:45	
19:00	Welcome receptions & Public Event

THURSDAY, SEPTEMBER 26

08:30	
09:00	Plenary - Jonathan Schott (UCL) Using imaging to detect and understand preclinical dementia: insights from the British 1946 birth cohort
10:00	Coffee break
10:30	Opportunities and Challenges in Data Sharing in European Neuroimaging
12:00	Lunch
13:00	The present and future of PET imaging
14:15	<i>Datablitz</i>
14:30	Coffee break Poster Session
15:30	Neuroimaging correlates of biofluids and neuropathology
16:30	
17:00	Social activity & Gala

FRIDAY, SEPTEMBER 27

08:30	
09:00	Plenary - Renaud La Joie (UCSF) Neuroimaging in the era of anti-amyloid therapies
10:00	Coffee break
10:30	Modifiable risk and protective factors and non-pharmacological interventions
12:00	Awards
12:15	
12:30	Closing remarks

**please note that this is a preliminary program, changes might be applied in the final program*
